GASLOG PARTNERS LP

by /s/ Paolo Enoizi

Name: Paolo Enoizi

Title: Chief Executive Officer

GasLog Partners LP Reports Financial Results for the Three-Month Period Ended September 30, 2025

Majuro, Marshall Islands, October 24, 2025, GasLog Partners LP (“GasLog Partners” or the “Partnership”) (NYSE: GLOP-PA, GLOP-PB, GLOP-PC), an international owner and operator of liquefied natural gas (“LNG”) carriers, today reported its financial results for the three-month period ended September 30, 2025.

Recent Developments

Sale of Vessel

In September 2025, GasLog Partners entered into an agreement to sell, subject to customary and other closing conditions, the *Methane Jane Elizabeth*, a 145,000 cubic meter steam turbine propulsion (“Steam”) LNG carrier built in 2006, to an unrelated third party for a gross sale price of approximately \$25.0 million, resulting in the reclassification of the vessel as held for sale and the recognition of an impairment loss of \$22.3 million as of September 30, 2025. The sale was completed on October 13, 2025.

GasLog Partners Dividend Declarations

On September 25, 2025, the board of directors of GasLog Partners approved and declared a quarterly cash distribution of \$2.93 per common unit to GasLog Ltd. (“GasLog”) that was settled immediately.

Quarterly Financial Results

Amounts in thousands of U.S. dollars

	For the three months ended	
	September 30, 2024	September 30, 2025
Revenues	\$ 85,670	\$ 60,863
Profit/(loss) for the period	\$ 44,488	\$ (13,033)

Revenues were \$60.9 million for the quarter ended September 30, 2025 (\$85.7 million for the same period in 2024). The decrease of \$24.8 million is mainly attributable to the 184 less available days due to the redelivery of the *Methane Heather Sally* to its owners and the sale of the *Methane Alison Victoria* in July 2025, the 2024 and 2025 fixtures at lower rates due to the weak market and the 198 idle days in the quarter ended September 30, 2025 (nil idle days for the quarter ended September 30, 2024) .

Loss was \$13.0 million for the quarter ended September 30, 2025 (profit of \$44.5 million for the same period in 2024). The decrease in profit of \$57.5 million is mainly attributable to a) \$23.6 million non-cash impairment loss, \$22.3 million of which relate to the agreement to sale the *Methane Jane Elizabeth*, b) a decrease of \$8.3 million in non-cash gain on disposal of vessel (\$8.2 million non-cash gain on disposal was recognized in the quarter ended September 30, 2024 as a result of the *GasLog Santiago* sale and leaseback completed on August 27, 2024) and c) a decrease of \$24.8 million in revenues, as discussed above.
